

Smooth Line®

HIGH PERFORMANCE COMPOSITES

Our New Mustang "Daytona R " removable Hardtop is styled from the exciting 2005-07 Mustang coupe roof line and features two fixed side triangular quarter windows and a curved convertible size rear window for a very sleek look.

Adding a "Daytona R" Hardtop is the best styling and practical improvement that can be made to your Mustang convertible. Driving can be enjoyable in any season with the quite comfort and security from the Smooth Line Hardtop.

Attachment is very simple, does not require any modification to your Mustang and fits all 1994-2004 convertibles. Simply lower the convertible top in the normal position and attach the hardtop using the easy

to turn tightening knobs. Very easy and requires only minutes No tools are required. Also, the OEM styling bar will fit under the Hardtop.

The Daytona R Hardtop only weighs approximately 65 lbs and is easy to handle. A specially designed Smooth Line Hardtop Carrier is available to safely store it when not in use.

All Smooth Line Hardtops are custom made to order with delivery time approximately 8-10 weeks currently. Included at no extra cost is heavy duty packaging for world wide shipping. North American shipments are via truck and are quoted extra.
